

My name is Sharan H Desai, I have over 30 years of experience in the field of Architecture, both in academics as well as in professional experience. I have worked with Multinational Companies around the world mainly; As an Architect, I have worked with, large Infrastructure projects focused on Airport Terminal, Metro, Urban Design, and IT Campus projects. As a manager, I was dealing with clients' requirements and spent a lot of time talking to the clients, because the main objective is to build economical and creative structures and environments. Customers are our greatest strength, regardless of size; each project is given the same meticulous attention to achieve the highest standards of design excellence and building quality providing professional service at all stages from concepts, and design development to construction details and project management.

I have succeeded in several Public Interest Litigation (PIL) matters as PARTY IN PERSON for litigating social causes by way of illustrations. I am from Kalaburagi City, in Karnataka State. I have made my contribution to the improvement of the society in Kalaburagi (Gulbarga) City by filing Public Interest Litigations. I have successfully filed around 45 matters, including a few PILs and I have succeeded in all the PILs. The Hon'ble High Court was pleased to pass positive orders. In all PIL matters, several of the directions issued by this Hon'ble High Court have been implemented wholeheartedly by the Respondents. A few of them are outstanding orders by this Hon'ble High Court. I am grateful to this Hon'ble High Court for entertaining my efforts as a PARTY IN PERSON with positive orders and my sincere efforts in improving society have resulted in the way mentioned below.
